

IMPI has a New president!

The Board of Governors at the last IMPI Symposium in Denver, Colorado, 14-16 June, elected Bob Schiffmann as the next President of IMPI for 2010-11. Bob has a long association with IMPI having been its President from 1973 until 1982 and Board member for over 20 years. Bob on his election comments, "I take this as not just an honor, but a serious obligation to lead and improve the status of this major scientific society".
