Dear AMPERE members

As from 10 December 2008 the existing incorporated AMPERE EUROPE Ltd., registered at Company House in London since 22 January 2003, has changed its status becoming a non-profit association accordingly to French Regulation.

At the last Extraordinary General Assembly of the old AMPERE EUROPE Ltd at GCMEA Meeting in Otsu, Japan, on 6th August 2008 it was resolved to retain the President and the Management Committee of the Company for the new Association, to keep continuity during this formal transition period.

The President and the members of the Management Committee will hold office until the next Ordinary General Assembly of AMPERE EUROPE Association in September 2009.

In this capacity therefore I would like to **invite you to become members of AMPERE EUROPE Association** where you will have exactly the same rights as within the AMPERE EUROPE LIMITED and the membership costs remain the same (50.00 –fifty- euro for one year and 100.00-one hundred- euro for two years).

Our plan is to **AUTOMATICALLY transfer you to the new Association**. I would be very obliged if you could respond by letter or e-mail communication only in the case if you do NOT wish to be transferred to the new Association.

You'll be informed on how to settle the registration fee for the year 2009.

Yours sincerely

**Prof. Elias de los Reyes Davo**
