

Postponement announcement

Dear participants of 4GCMEA (2020),

Due to the COVID-19 pandemic, 4GCMEA has to be postponed. Representatives from 5 MAJIC associations had an online meeting and discussed about the postponement. We finally achieved an agreement that the 4GCMEA would be **shifted from its current dates of 17-20 August 2020 to August 2022**. We sincerely thank everyone who made contributions to 4GCMEA.

A photo of the online meeting (we hope to avail this opportunity to express again our heartfelt thanks to all these representatives)

The submission system will be closed. The Local Organizers will contact the authors to deal with the abstract withdrawing issues. A Call for Papers with new exact dates of 4GCMEA2022 will be distributed and the submission system is supposed to re-open at the end of 2021. All future deadlines will be re-scheduled accordingly.

For those who have already booked the accommodation at CYNN hotel and/or have paid the registration/sponsorship/exhibitor fee we will inform them how the cancellation/carry forwarding/refunding will handled for them. We will come out with the plan about how these issues will be handled in about 2 weeks.

Looking forward for your strong continued support for a successful 4GCMEA in 2022.

Best regards

The Local Organizer Committee Members
Kama HUANG, Li WU, Huacheng ZHU
